Year 3: € 658,500.00

The contract is a single lot.

2 – Object of the Contract

2.1 – General description of the service

The service consists of the implementation of the Programme.

The contractor must, therefore, following the signature of the contract, ensure the delivery of the three-year Programme and the implementation of the communication and promotional activities foreseen in the plan of the programme on the basis of the stated general and specific objectives, also through the ongoing monitoring of the activities carried out and the preparation of technical reports (periodic and final).

The service must provide professional technical and operational support, ensure the high quality of its deliverables, and be distinctive through innovative messages and communication tools as well as in its approach to attracting the stated target groups.

The development and delivery of the Programme must be coherent with the general and specific objectives of the Communication Strategy, in the context of the priorities and objectives of Reg. EU 1144/2014 and ensure a clear awareness of the Programme and the proposing organisation.

2.2 – Performance of the service

The contractor must establish and maintain a Working Group responsible for the management and implementation of the Programme throughout the duration of the contract, in line with the requirements for participation, agreeing and sharing with the Client the activities to be carried out. It is expected that at least two of the members of the Working Group are available to attend quarterly and annual monitoring meetings that will take place at the Client's headquarters to provide operational support to Programme activities that need to be carried out in strict coordination with the Client. Coordination of the activity and exchanges of information with the Client may also include: other meetings, phone contact, videoconferences, email, and exchange of material and documents online.

2.3 – Working Group

The contractor must guarantee the delivery of the service with its own staff and / or external associates with the required professional and technical qualifications for the assigned activities. The Working Group shall be characterised with a flexible organisational approach in order to respond to any needs that may arise during the course of delivery of the activities. In particular, the members of the Working Group should possess a range of professional experience with particular reference to the following fields: developing communication and marketing strategies, development of websites, preparation of communication materials above and below the line, social media management, organisation of events, press conferences, workshops, meetings, press/educational study tours, design/setting up of exhibition stands and organisation of promotional activities within international trade fairs, public relations and organisation of activities for opinion makers, press office management, online/offline/TV/social media advertising, organisation of promotions in restaurants and InStore (POS) promotions, organisation of prize competitions, project management and monitoring of the results.

The contractor must ensure that:

- a) It uses for the service its staff and/or associates that are suitable, and with proven capacities, honesty, trustworthiness, and discretion;
- b) It guarantees the stability and continuity of the service in all circumstances, providing personnel and/or associates in sufficient numbers and of a sufficient quality as required and respecting the content of the technical offer;
- c) It respects all the terms of employment contracts relating to salaries, legal rights and social security and insurance contributions with regards to its staff and / or associates.

3 – Duration of the service

The duration of the service is thirty-six (36) months from the signature of the contract which will be stipulated between the Client and the Contractor within 30 days of the signature of the Grant Agreement between the Client and Paying Agency of the Member State (AGEA) and will have as its subject the activities indicated in the technical specifications under the stated conditions. The Client reserves the right to ask for an extension of the end date of the duration of the service for a maximum additional 6 (six) months to guarantee the completion of all the activities foreseen in the Programme, under the same financial conditions.

4 – Conditions for participation

Economic operators, also established in other Member States of the European Union, can participate in this tender either singly or may fulfil the requirements relating to possession of economic, financial, technical and professional capacity by relying also on the capacities of another entity,

It is forbidden for a competitor participating in the tender together with another entity to participate singly.

The tenderer must be in possession of the requirements stated in the following points.

4.1 – Requirements for participation

Registration in the Chamber of Commerce, Industry, Crafts and Agriculture for activities in line with the object of this tender (as stated in the copy of the Chamber registration). A tenderer established in another member state than Italy should present a sworn statement or official document pursuant to the applicable law in the State where it is established.

4.2 – Absence of grounds for exclusion from participation in the Tender

Participation in this tender is reserved for economic operators who, on the date of the presentation of the offer, declare that no grounds for exclusion exist in accordance with Directive 2014/24/EU, or else grounds for exclusion that are associated with:

- Criminal convictions;
- Omitted payment of taxes or social security contributions;
- Insolvency, conflict of interest or professional misconduct.

The absence of these grounds for exclusion shall be attested to by means of the attached declaration (**Annex A**) signed by the legal representative.

4.3 – Requirements of economic and financial capacity

The economic operator that intends to participate in this tender must demonstrate either singly or relying also on the capacities of another entity, to have registered in **the three-year period of 2019/2021, an average annual turnover** not less than 2,000,000.00 Euro (two million Euro) net of VAT.

The possession of this requirement shall be attested to by means of the attached declaration (**Annex A**) signed by the legal representative and the presentation of **the balance sheets of the last three financial years**. **In the case where the economic operator relies also on the capacities of another entity, Annex A and all the remaining documentation must also be provided by the auxiliary undertaking.**

4.4 Requirements of technical and professional capacity

The economic operator that intends to participate in this tender must demonstrate, either singly or relying also on the capacities of another entity, to have **carried out in the period 2019/2021 services similar to the ones covered by the tender**. For similar services are intended international promotion and information programmes / activities such as (by way of example and not limited to): management of international promotion projects / programmes; organisation of events, press conferences, workshops, meetings, in-depth press / educational tours, promotions in restaurants and in points of sale; design, set-up, management and animation of international trade fairs; press office management and public relations aimed at opinion leaders; development of communication and marketing strategies; social media management; creation and development of websites; design and creation of communication material above and below the line; advertising management (print, TV, digital and social); agri-food sector promotional activities.

The possession of this requirement shall be attested to by means of the attached declaration (**Annex A**) signed by the legal representative bearing in the annex the presentation of the economic operator inclusive of a brief description of the main similar services performed as well as the description of the working group and the brief professional profiles of its identified members. **In the case where the economic operator relies also on the capacities of another entity, Annex A must also be provided by the auxiliary undertaking.**

In the case where the economic operator also relies on the capacities of another entity, the following declarations must also be included:

- declaration signed by the legal representative of the competing economic operator declaring the joint possession of the necessary requirements to participate in the tender, with a specific indication of the requirements supplied and capacities made available by the auxiliary undertaking;
- declaration signed by the legal representative of the auxiliary undertaking declaring the absence of grounds for exclusion from participation in the tender as well as the possession of those requirements and capacities made available by the auxiliary undertaking as part of the offer (**Annex A**);
- unconditional and irrevocable declaration signed by the legal representative of the auxiliary undertaking guaranteeing towards the competing economic operator and the Client that the necessary resources which the competing economic operator does not dispose of will be made available for the whole duration of the contract;
- declaration signed by the legal representative of the auxiliary undertaking that it will not participate in the tender singly or associated or in consortium with other

- economic operators and will not provide capacities for other competitors;
- copy of the contract with which the auxiliary undertaking guarantees that it will provide the necessary requirements and capacities to the competing economic operator for the whole duration of the contract; in case the competing economic operation relies on an entity that belongs to the same group, in place of a contract a declaration attesting the legal and financial relationship in the group may be presented;
 - copy of the certificate showing the registration of the auxiliary undertaking in the Chamber of Commerce for the activities relating to those that are the object of the above contract between the economic operator and the auxiliary undertaking (in the case of an economic operator that is not resident in Italy and without a stable organisation in Italy, documentation of equivalent legal value in force in the respective country of residence or sworn declaration).

4.5 – Subcontracting

The competitor may indicate in the offer the parts of the service that it intends to subcontract up to 30% of the total value of the contract. It is not grounds for exclusion but if the competitor indicates one or more subcontractors that at the same time compete singly in this tender, the competitor will not be allowed to subcontract to them.

4.6 – Bank guarantee

In case of the award of the tender, the economic operator shall present a bank guarantee issued by a banking institute or insurance company possessing the necessary authorisations equal to 10% of the amount entrusted for each year. The guarantee for the first year must be consigned in original at least 5 (five) days before the signature of the contract. The guarantees related to successive years must be consigned in original within 30 days of the end of the guarantee issued for the previous year.

5 – Method of presentation of the offers and signature of the tender documents

With a **failure to comply resulting in exclusion**, the packet containing the proposal must be sealed and sent by registered post or courier or consigned by hand on weekdays, excluding Saturday and Sunday, from 9.00 to 17.00 at the registered address of ANICAV – Viale della Costituzione Centro Direzionale Isola F/3 – 5° Piano – 80143 Naples (NA) - Italy. Offers sent via certified e-mail or by other electronic means will not be considered valid. The packet must be consigned at the stated address **by and no later than 12.00 (Italian time) on 16 December 2022**, with failure to comply resulting in exclusion. In case of delivery by hand, the responsible employee shall provide a receipt with the date and time of delivery of the packet. The delivery of the packet shall remain at the exclusive risk of the sender in the event that for any reason whatsoever, it does not reach the destination within the aforementioned final deadline. The term “sealed” means hermetic closure that bears any sign or stamp placed on a plastic material such as adhesive tape or sealing wax, which closes the packet and the envelopes contained within it, attesting to the authenticity of the original closure from

the sender as well as assuring the integrity of the packet and the envelopes and that they have not been tampered with.

On the outside of the packet, information relating to the competing economic operator (name or trading name, VAT number, PEC - certified email address - for communication) must be stated and the packet labelled with the following statement: **NON APRIRE - Bando di selezione mediante procedura competitiva aperta per la selezione di un organismo incaricato dell'esecuzione del Programma denominato "Red Gold from Europe. 8 – The Evaluation Committee and procedure for the award of the tender

An ad-hoc Evaluation Committee will be nominated **after** the deadline for the presentation of offers consisting of 5 members, including three internal ANICAV members and two independent external members with proven experience in a) public tenders b) planning and coordination of promotion and internationalisation projects / marketing and communication strategies.

The **Committee** will meet at the **ANICAV headquarters - Viale della Costituzione - Centro Direzionale Isola F/3 - 5th Floor - on 21 December 2022 at 9.00 am** in order to complete the selection procedure.

The opening of the envelopes (Envelope A) containing the administrative documentation of the participants in the Tender will take place at the office indicated

above **on 21 December 2022 at 9.00 am in a public session. This session may be attended**, in person or **remotely**, by the legal representative (or person delegated by the same in writing) of each of the participating economic operators, presenting a suitable valid identification document. The **link** through which to connect remotely will be sent to the operators who request it. **The request must be sent to the e-mail address: v.dedilectis@anicav.it indicating in the subject line "Request link for public selection session OE EU RED GOLD ASIA / Richiesta link per sessione pubblica selezione OE EU RED GOLD ASIA". Requests must be sent after the deadline set for the delivery of the envelopes (i.e. after 12.00 on 16 December 2022, but no later than 15.00 on 19 December 2022).** In order to participate remotely in the public session, a scanned copy of the identity document of the economic operator's legal representative must be made available or, in the case of a delegated person, a copy of the proxy signed by the legal representative and accompanied by a copy of the identity document of the same.

After the opening of the Envelopes A and the eligibility of the participants in the Tender has been defined, the Commission will proceed, **in private session**, with the evaluation of the technical offers (Envelope B) and the financial offers (Envelope C). If there is only one valid offer, the Client has the right to decide whether to proceed with awarding the tender. In the event of a tie in the points attained, the contract shall be awarded to the competitor that has achieved the greatest number of points in the technical offer. In the event of a tie in points in both the financial offer and the technical offer, the award shall be made on the basis of a random draw.

On completion of the above procedure, the Committee will draw up the ranking list and proceed with the award.

The award will be immediately binding for the bidder that is awarded the contract, while the Client will be legally committed only when, in accordance with legislation, all the consequent and necessary acts for the conclusion of the tender take legal effect.

All participants will be promptly notified of the outcome of the Selection Tender by PEC or, in the case of non-Italian operators, by e-mail. More specifically, the name and address of the successful economic operator will be communicated, with an indication of the overall vote received, and the evaluation form of the recipient of the communication will be sent.

The results will also be published on the ANICAV website - www.anicav.it as well as on the TED portal - the online version of the supplement to the Official Journal of the European Union dedicated to public procurement - within 7 working days from the date of conclusion of the procedure selection.

9 – Obligations of the contractor

The contractor has the following obligations:

- to carry out the service that is the subject of the tender in agreement and collaboration with the Project Leader nominated by the Client;
- the full and unconditional acceptance of the content of these technical specifications;
- the respect of all the information contained in these technical specifications even

if not expressly mentioned in this article, in the Contract for the implementation of the programme which will be signed by the proposing organisation and the member State, in all laws and regulations in force at European and national level as well as those eventually issued during the contractual period.

10 – Modifications to the contract – qualitative and quantitative variations in the services – unilateral termination of the contract

Should unexpected and specific needs arise, the Client reserves the right to make quantitative variations to the contract of greater or lesser amounts within a fifth of the value of the contract and in respect of the contractual obligations. Furthermore, the Client also reserves the right to terminate the contract or part of it for reasons not imputable to the contractor, recognising the contractor an indemnity in accordance with law for the part of the contract not carried out. Should extraordinary actions not contemplated in these technical specifications be requested, the relative conditions shall be agreed between the Client and the Contractor on a case-by-case basis.

11 – Relations between the contractor and the Client

The contractor must nominate a technical contact person and an administrative contact person responsible for the service who will have the obligation to collaborate closely with the Project Leader nominated by the Client in order to manage the technical/administrative/financial monitoring of the Programme.

12 – Breaches

The Client has the right to dispute any services rendered that do not fully or partially comply with the requirements of the specifications or the offer proposed in the tender. In the event of a dispute, the Client may request the Contractor to replace personnel/collaborators not considered adequate for the performance of the services. In the event of delay or refusal, as well as in any other case of non-compliance with the contractual obligations assumed by the Assignee, the Client will contest the non-fulfilments in writing to the Contractor.

13 – Termination of the contract

The termination of the contract for repudiatory breach shall be declared in the following cases:

- the lack of fulfilment of contractual or legal obligations concerning salaries and fees of its personnel and associates;
- manifest failure to comply with the obligations established in the contract;
- non-respect of the project activities presented and eventual integrative indications concerning the quality of the service.

14 – Unilateral termination of the contract

The Client has the right to check and verify the good execution of the service with the help of appointees chosen at its discretion. In the event of termination of the contract, the Contractor is in any case committed to continuing the assignment, under the same conditions, for a maximum of three months.

15 - Contract expenses

50% of the expenses for stamps, stipulation, registration and all other additional costs concerning the contract shall be borne by the contractor and the remaining 50% by the Client.

16 – Disputes

The competent court for any disputes that may arise during the provision of the service that are not definable by the contracting parties is Naples, Italy.

17 - Ownership and use rights

The ownership and/or use rights and financial exploitation of the products prepared or produced by the contractor or its employees or associates in the framework or execution of this service will remain the exclusive property of the Client that can, without any restriction, use them for publication, dissemination, use or duplication of the stated design, literary or material works. These rights, pursuant to L. n. 633/1941 “Protection of Copyright and Neighbouring Rights” as modified and integrated by L. n. 248/2000, must be considered ceded, purchased, bought and licenced in perpetuity, without limits, and irrevocably. The contractor undertakes to consign all the products in an open and modifiable format and expressly binds itself to supply the Client with all the documentation and materials necessary for the effective exploitation of exclusive titular rights as well as sign all necessary documents for the eventual registration of such rights to the Client in any registers or public lists. Furthermore, the contractor undertakes to respect the law in force concerning the treatment of databases.

18 – Treatment of personal data of third parties and confidentiality

The Contractor, during the execution of the contract, undertakes to comply with all the provisions contained in the national and European legislation, including the provisions of Legislative Decree 196/2003 and those provided for by Reg. (EU) 679/2016 of the European Parliament and of the Council of 27 April 2016 (so-called GDPR) and to guarantee that the personal information, assets, statistics, personal data and / or any other kind of information of which it will become aware due to the services entrusted, will be treated with adequate methods and according to transparent procedures. The Contractor, during and after the execution of the contract, undertakes not to make direct or indirect use of the information he has

become aware due to the services entrusted to obtain advantages or other benefits for himself or for third parties. In particular, the Contractor must undertake to maintain the utmost confidentiality of all information, data and circumstances concerning the Client, even after the conclusion of the service.

19 – Information on the processing of personal data

In compliance with the provisions of Legislative Decree 196/2003 and those provided for by Reg. (EU) 679/2016 of the European Parliament and of the Council of 27 April 2016 (so-called GDPR), the Client will use the data collected contained in the offers for the sole purpose to proceed with the selection of the implementing body. The data collected may be used for the fulfilment of legal obligations, including the inspections foreseen by Reg. (EU) 1144/2014 and by the Directorial Decree of 17 October 2022 n. 0526288 – Department of competitive policies for agri-food quality, fisheries and horse-racing – DG promotion of agri-food quality and horse-racing, which defines the criteria that non-contracting authorities must respect in the selection of implementing bodies for simple programmes in relation to the AGRIP-SIMPLE-2022 call.

The rights of the interested party are set out in Article 13 of the Legislative Decree 196/2003 and can be exercised pursuant to and for the purpose of the GDPR (see Articles 15 and 22).

The Client declares that with regard to the procedure established for the selection procedure:

- The purposes of the data processing concern the verification of the competitors' ability to participate and win the tender in question.
- The data provided will be collected, recorded, organised and stored for the time strictly necessary and for the purposes of managing the tender; will be processed both on paper and by computer technology, even after the possible establishment of the contractual relationship for the purposes of the relationship itself.
- Failure to provide mandatory data required will result in exclusion from this tender.
- The data may be disclosed to: 1. Client's personnel; 2. Members of the evaluation committee; 3. Verification commission identified by MIPAAF; 4. Competitors participating in the tender; 5. All other subjects identified as deserving or interested in accordance with Italian legislation and in particular with the Law on administrative procedure N° 241/90.
- The active subject of data collection is the Client, and the data controller is its legal representative.
- The interested party can exercise the rights provided for by Legislative Decree 196/2003 and by the GDPR articles 15 and 22.

Data controller: Raffaella Capuano.

Exercise of rights: for any further information regarding the processing of personal data, you can write to info@anicav.it

20 – Conflict of interest

Pursuant to and for the purposes of the Departmental Degree of MIPAAF - Department of competitive policies for agri-food quality, fisheries and horse-racing –

DG promotion of agri-food quality and horse-racing – N° 0029174 of 30 June 2020; of the by the Directorial Decree of 17 October 2022 n. 0526288 – Department of competitive policies for agri-food quality, fisheries and horse-racing – DG promotion of agri-food quality and horse-racing, which defines the criteria that non-contracting authorities must respect in the selection of implementing bodies for simple programmes in relation to the AGRIP-SIMPLE-2022 call; of Reg. (EU) 1144/2014, of Reg. (EU) 1829/2015 – delegate; of the EU Reg. 1831 / 20115 – of execution; of the note European Commission DDG1 B5 / MJ / DBD (2016) 321077 dated 7 July 2016 - Guidelines on tender procedures; of the Communication of the European Commission (2006 / C/179/02) paragraph 2.1.2; the Client, in carrying out this selection procedure, adopts all suitable measures to effectively prevent, identify and remedy conflicts of interest that are capable of distorting competition and guaranteeing equal treatment of economic operators.

21 – Single person in charge of the procedure

The sole person in charge of the procedure is Giovanni De Angelis.
